### "What You Should Know About Your City"

"The helpful kind of patriotism is the kind that grows out of a knowledge of one's town, of her growth, her people, her property, her government and her needs. This knowledge develops, first, an intelligent interest; then, a sympathy; then, a reasonable affection, a wise and temperate jealousy for her good name and a wish that she may prosper and grow more beautiful; and, finally, a desire to help her to become greater and finer, a bright and clean workshop and a home for the best of men and women."—John Cotton Dana.

## BLOOMFIELD NUMERICAL DIRECTORY

### EXPLANATORY NOTES

The streets are arranged alphabetically with their descriptions, each description followed by a numerical arrangement of householders, places of business and street intersections. (Arranged by rotation where no numbers have been assigned.)

The abbreviation r between the street number and the name signifies "rear."

The word "vacant" after a number signifies that the house, office or store at that number was vacant when the canvass was made.

"Right even" after street description indicates even numbers on right side of street.

The symbol □ following a householder's name indicates that information has been secured during the canvass that the house is owned by some member of the family, but as the publishers cannot and do not guarantee the correctness of the information furnished, nor the complete absence of mistakes, no responsibility for errors can be or is assumed, nor can the publishers furnish further information than that shown.

Zip Codes are included in the description of each street and changes in Zip Code for streets with more than one code are indicated at the address where the change occurs.

Please Note The Zip Code For The Town Of Bloomfield Is 07003
